- ▶ 9TH & 10th combined for FSA ELA is 1093 not counting home school and virtual, with two day for each test, I will need a full 10 days to accomplish this. With that said, I intend to use April 11 through the 22nd for ELA Reading. Geometry will start on the 25th, 329 students currently enrolled not counting online, homeschool and virtual students. Will take approximately 4 days.
- ▶ FSA ELA Retake I cant determine the numbers right now since we are waiting on Fall results, we had approximate 350 students that was eligible for fall retakes.
